In May 2018, he was transferred to BHEL- Corporate Office in the Mission Directorate for Advanced Ultra Super Critical Technology development constituted under Ministry of Heavy Industries where he was responsible for development of projects for the Boiler Island technology establishment.

He was also Head of Hydrogen Business Group under the new growth areas of Corporate Strategic Management wherein he addressed the business potential, the technology requirements and the road map for business development in BHEL. As Head of Corporate R&D, he has been instrumental in focussing and addressing the technical development needs of the organization through In house Development and focussing on the new and upcoming business areas of Coal to Chemicals and Hydrogen value chain. In Nov 2023, he was elevated as Executive Director, Corporate R&D.

INTERNATIONAL WOMEN'S DAY CELEBRATION 2024

International Women's Day was celebrated at the Units of HMT Limited and its Subsidiaries on 8th March, 2024. The campaign theme for this years' International Women's Day is 'Inspire Inclusion', which emphasizes the importance of inspiring women to be included, fostering a sense of belongingness, relevance, and empowerment in various spheres of society. Women employees followed the colour code purple, green and white which symbolizes dignity & justice, hope and purity respectively. Awareness programmes/sessions were conducted at various Units of the Company to sensitize the women employees on the Prevention of Sexual Harassment (POSH) Act. Games conducted added extra spark to the celebration and an element of fun and excitement among the women at the event. At HMT Machine Tools Limited, Kalamassery, the session was conducted by Advocate Sandhya Raju (Director of CCRRA and NGO worker for Women and Children). HMT Machine Tools Limited, Ajmer celebrated Women's Day with the Unit Chief honouring all the women in the housekeeping and other departments.
